

TOWN OF OYEN
PUBLIC WORKS FOREMAN
PERMANANT, FULL-TIME POSITION

The Town of Oyen is seeking a dynamic individual to provide professional leadership and direction for the installation, maintenance and repair or upgrade of all Municipal infrastructure, including roadways, sidewalks, water and sewer lines, water distribution system, wastewater system, and signage. This individual will ensure that all infrastructure is maintained in a safe and serviceable condition to meet the needs of our community.

Mechanical abilities, heavy equipment operator experience, and experience with water and wastewater systems would be an asset. The successful applicant must be reliable, a proven team player, and willing to undertake any necessary training.

A detailed Job Description is available upon request from the Town Office.

Remuneration will be in accordance with the Town of Oyen salary grid and town policies. The Town of Oyen offers a comprehensive benefits package that includes participation in the Local Authorities Pension Plan.

Interested applicants are invited to submit a covering letter and a detailed resume of experience and training to Charmain Snell, Chief Administrative Officer.
